Instructions

The main purpose of this peer review document is for all team members, including yourself, to reflect on interactions, but it may also be helpful in resolving potential disputes over the relative contributions of team members.

In the first table, you should:

- List the members of your project team, and
- Enter a score between 0 and 5, for categories A to J for all team members, including yourself.

In the second table, you may provide detailed comments to explain your scores and/or describe any other concerns.
