

Study plan	Participant ID (We will tell you what this question)	1. I think that I would like to use this system frequently	2. I found the system unnecessarily complex	3. I thought the system was easy to use.	4. I think that I would need the support of a technical person to be able to use the system.	5. I found the various functions in this system well-integrated.	6. I thought there was too much information in this system.	7. I would imagine that most people would have trouble using this system.	8. I found the system very cumbersome to use.	9. I got very confused using the system.	10. I needed to learn a lot of things before I could get going with this system.	11. How difficult are you to use? (I recommend we use the Friction Tracker as another example)	12. What is your overall impression of Friction Tracker?	13. What did you like most about Friction Tracker?	14. What did you like least about Friction Tracker?	15. Did you encounter any difficulties while using the system? If yes, please briefly describe them.	16. How intuitive was the interface when comparing tasks requiring using the system?	17. Did you encounter any accessibility issues while using the system?	18. What improvements would you suggest to make the system more user-friendly or why not?	19. Would you use this system in your daily life or why not?	20. Do you have any other ideas or suggestions about your experience with the Friction Tracker system?	BUS	
29/03/2025 16:27		1	3	0	4	1	2	1	4	0	3	0	0	I like the functions that enable adding dangers and contact location.	I just thing the UI can be improved further.	I can't notice the navigation but at first I think it can finally see it after that	No	5	No	I would suggest different color themes to help people with certain visual issues.	Yes because it is safe with a simple interface.	No	85
29/03/2025 23:28		2	3	0	3	1	2	1	3	2	3	2	8	the navigation bar is shown clearly	too many buttons	I don't notice the navigation but at first I think it can finally see it after that	3	no	more indicators	yes because it provides a tracking function	No	No	70
27/03/2025 23:05		3	4	0	4	1	2	1	4	2	3	0	10	What I like most about this app is that it provides almost helpful functions that I need.	I think the UI is needed to be improved more	Yes! I would love to use this system in the cut down some buttons or adjust this is a good idea place those buttons to where else	3	No	This app should be adjusted more to make it clear that I needed	Yes because it provides many functions that I needed	No	No	82,5
28/03/2025 17:42		4	3	0	3	1	3	0	3	1	3	2	10	I like the location tracking presenting in the map	It took me some time to remember all buttons	No	4	No	I would love to use this system in the cut down some buttons or adjust this is a good idea place those buttons to where else	Yes because this is a good app with a meaningful idea that can use to track my mom working outside.	No	No	77,5
